he would like to withdraw that amendment.

PRESIDENT: All right. Is there an objection? Seeing none, it is so ordered.

CLERK: Engrossed LB 371. Read for Final Reading.

(RECORDER TURNED OFF FOR FINAL READING OF LB 371)

CLERK: Partial vote read.

PRESIDENT: Senator Kennedy.

SENATOR KENNEDY: Mr. President, is there quite a number absent. We have 35 showing on the Board. Would it be proper to...could we hold. We have got another bill that has the emergency clause and it...

PRESIDENT: I really don't know. I think on Final Reading we are under Call, by definition. All Senators are to be in their chairs but could I suggest maybe a roll call.

SENATOR KENNEDY: I would ask for a Call of the House.

PRESIDENT: Well, I think we are under Call. I will be glad to put that to a vote.

SENATOR KENNEDY: Then I would ask for a roll call but it seems to me there are some Senators that thought we were going to meet at 10 o'clock because I know that there were some that said that.

PRESIDENT: Well, Senator Kennedy, I will be glad to entertain your motion to put the House under Call but the Chair is of the opinion that on Final Reading we are under Call so that it would...

SENATOR KENNEDY: How many are excused then, may I ask that question?

PRESIDENT: Seven.

CLERK: Seven, Mr. President.

PRESIDENT: Senator Chambers.

SENATOR CHAMBERS: Mr. President, this motion is out of order I won't argue but before I make it, I was wondering if we would have to suspend the Rules or whatever, but could we move that Final Reading be taken up at 10:30 a.m. then, and if a motion like that could be entertained, I would make the motion.

PRESIDENT: Could the Chair suggest this, that we call the roll and see what kind of vote we get now and then we won't record it and then we could move it until later. Senator Kennedy, would you move that we have a roll call vote.

SENATOR KENNEDY: I would ask for that, then.

PRESIDENT: Senator Duis.
